Welcome!

Vision
To promote value-based education and inspire children to follow their passion. To create responsible citizens who take pride in being an Indian and also promote literacy in the society.

Mission
To inculcate strong ethical and moral values in children.
To create good and responsible human beings.
To bring about multifaceted individuals with well-groomed personalities with a sense of pride in our cultural heritage.
We hope parents and prospective pupils will find Sri Sankara Vidyalaya a welcoming environment. This institution has been very successful in carving a niche for itself in the arena of academics in Bhuban, due to its ever striving ability to provide an all round development to each of its student.

This is the alma mater where the children’s mental and physical attributes are given a proper definition by our highly qualified and able faculty. An institution where children are taught to dream with open eyes, instigated to pave their path towards their set goal and motivated to realize their dreams with flying colours. Each child’s caliber and talent is assessed and monitored constantly.

The school believes in giving quality education, good etiquettes and culture which is imbibed and ingrained in each and every child, who is entrusted to us.

Relationship matter a lot at Sri Sankara Vidyalaya between teachers and students and between the school and the parents. We look forward to working with you and your children to enable them to develop their potential. Working each and every child a bright and prosperous future.

Ms. V.S. Kalpana (Principal)
Sri Sankara Vidyalaya is situated in the heart of the steel city, Birla, and is spread over four acres. It has a beautiful campus with lush green gardens. It is easily accessible being centrally located.

It is a local, co-educational day school striving to create responsible human beings. We believe that every child is talented and our efforts are directed towards unearth those talents. Our emphasis is laid on the overall personality development of each child.
Origin and Organism

Sri Sankara Vidyalaya was founded in July 1987 and is being run under the protection and patronage of His Holiness Jagadguru Sankaracharay Sri Jayendra Saraswati Swamigal of Kanchi Kamakoti Peetam. It is an English Medium school functioning under the management of Sri Sankara Education Society. It is affiliated to Central Board of Secondary education, Delhi. It is having classes from Nursery to class XII.

In Sankara, we feel that apart from academics, social education is also a must. This is achieved through the house system, various clubs like the Interact club, Eco club, etc., wherein sharing and caring comes automatically keeping the competitive spirit in view.

Sri Sankara Vidyalaya has incorporated innovative teaching methods that portray creativity at its functional best and emphasizes value-based education. The class rooms are spacious and well ventilated. The school has well equipped laboratories and a huge library with over 25000 books.

The school has sufficient infrastructure to cater to the co-curricular activities like sports, dance, music, etc. A large multi purpose auditorium is available to host various cultural programmes and competitions.

The school runs in two shifts. Morning shift works from 7:00 AM to 12:00 Noon, whereas Day shift works from 12:00 Noon to 5:00 PM. The school provides transport facility depending on availability of seat.
The school follows the CBSE curriculum. From Primary to Secondary classes the children are assessed through continuous and comprehensive evaluation.

We believe that as per their age, children should be made aware of the happenings in their surrounding. As such, General Knowledge has been introduced from Class I to Class VIII. At Sankara we stress on activity based learning.

The activities include the use of audio-visual aids, projects, group discussions, experiments, art & craft, etc. These activities are followed by extensive written work. Keeping in view the need of the day children are given hands on training in computers from class III onwards.
The infrastructure

The gates of the school lead to the temple of Sri Adi Sankara surrounded by a beautiful garden. The whole atmosphere radiates a positive energy making one feel charged to take up the challenges lying ahead.

- All classrooms are spacious and well ventilated.
- Separate laboratories for Physics, Chemistry and Biology.
- Mini science laboratories and also Maths and social science laboratories.
- A huge library with a reading room.
- A state of the art computer lab.
- Audio Visual Room
- Separate well equipped dance and music room
- A large auditorium is available for indoor games and school functions
- Court for basket ball, volley ball, throw ball, etc
- Ground for football and cricket
- Well equipped gym
extra curricular

The school strongly believes in the all-round development of the child. Thus physical, aesthetic, and spiritual growth are harmonized.

We have a group of well-qualified and experienced teachers for music, dance, games, karate, and art & craft. Sankara offers its students to learn and excel in a wide variety of sports and related activities. These include cricket, football, volleyball, throw ball, table tennis, chess, etc.

Every year summer camps are held during the summer vacation wherein the players are trained and selected for the various tournaments to be held during the year. Various clubs like co-club, interact club, etc. are there.
